

Pastors

Peter and Tina MacLellan are pastors of Durham Vineyard.

"We moved to Durham in August 2006 after nine years living in Somerset. We spent three years at Wells Vineyard where we were part of the leadership team. We are new to the Durham area having been fairly nomadic previously with time living in Germany and California as well as various parts of the UK. Peter is originally from Glasgow and Tina spent much of her childhood in Manchester. We have three children ranging from secondary school to university.

We are getting to know Durham and love the area though we still feel very new - especially as so many of the people we've spoken to have lived here all their lives! We're looking forward to getting to know the people and places properly. Tina teaches English as a foreign language and Peter is looking to put his computing and business skills to use working with small companies.

We want to see a church that has a real family and community feel to it, has something for all ages, stages and backgrounds, and where everyone feels welcome as we try to serve God and become more like Jesus. We would love to meet anyone who is interested in what we're doing, so please get in touch."
